Where We Are

- Involved in national training, support, outreach
[Dataverse Curation Guide](#)
- Growing our capacity
- Semi-mediated model of curation
- 64 user accounts, 42 within the last year

How It Works

- Create an account at Scholars Portal Dataverse using a Dalhousie email address: <https://dataverse.scholarsportal.info/>
- Email the [RDM Team](#)
- The RDM Team arranges a training session
- Training session includes [reference interview](#) (what kind of data, how much, restrictions, and so on)
- Good fit? Yes? Yes!
- Dataverse set up and permissions granted
- Data is deposited
- Data review encouraged
